

PEJOVIĆ , ASTREA, PhD student, CEU

Astrea Pejović (Sociology and Social Anthropology - Central European University – Budapest, Phd student) researches cultural and political practices youth. She focuses on family as a place of memory construction in the post-conflict Former-Yugoslav region. Together with Jovana Papović she experiments with visual methods and is co-founder of 'Museum of Transition', a multidisciplinary platform dealing with the post-socialist transition in the Balkan region.
